

**The Garden Club of Bergenfield is proud to be celebrating 100 years!
1925-2025**

In the fall of 2024, in preparation for the 100th Anniversary, members of The Garden Club of Bergenfield planted 300 Daffodil bulbs at Coopers Pond and The Bergenfield Museum. The Daffodils usher in The Garden Club's centennial year and invite all to visit the beautiful blooms as you stroll through the park and visit the museum.

All are welcome to attend the Garden Club meetings at **7:00pm** on the ***second Monday of the month at the Coopers Pond House***. Refreshments are always served with friendly conversation as well as shared gardening tips and the occasional entertaining guest speakers.
