MESSAGE FROM MAYOR & COUNCIL

As we welcome the second quarter of the year, we are proud to reflect on what has already been a strong and meaningful start for our community here in Bergenfield.

The first three months of the year were filled with milestones, celebrations, and traditions that showcase the very best of our borough. In January, we were pleased to swear in Councilwoman Ora Kornbluth and Councilman Buddy Deauna as they began their new terms of service. Their continued dedication and commitment to our residents help ensure that Bergenfield remains a place we are all proud to call home.

In February, we gathered together for a beautiful celebration of Ramadan, highlighted by our Crescent Lighting ceremony – a wonderful evening that reflected the diversity, unity, and shared respect that define our community.

March continued the momentum as Bergenfield proudly hosted the 44th Annual St. Patrick's Day Parade, welcoming visitors from across the region to celebrate Irish heritage and tradition. We also brought smiles to so many of our youngest residents during our Annual Easter Egg Hunt – a joyful event that signals the arrival of spring.

As we look ahead, the months of April, May, and June promise even more opportunities to come together. We look forward to celebrating Easter, hosting our annual Arbor Day Celebration on April 19th – complete with our popular seedling giveaway – and honoring our heroes during our Memorial Day Parade on May 25th. This solemn and meaningful tradition reminds us to pause, reflect, and pay tribute to those who gave the ultimate sacrifice for our nation. In June, we will celebrate Pride Month and continue fostering a community where everyone feels seen, valued, and respected. We will also kick off the summer season with Family Fun Day on June 7th, begin our Summer Concert Series, and proudly honor Juneteenth as we reflect on our nation's history and the strength found in unity.

Looking ahead to July, Bergenfield will proudly celebrate the 250th Birthday of the United States with our "Bergenfield's Most Patriotic Citizen" recognition, sponsored by the Mayor's Veterans Committee – a special way to honor the spirit of service, patriotism, and community that defines our borough.

Thank you for your continued engagement, support, and pride in our community. Together, we are building on a great start to 2026 and looking forward to an even brighter season ahead.

Building Department

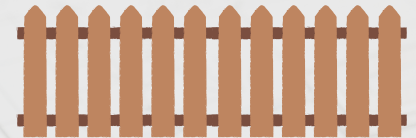

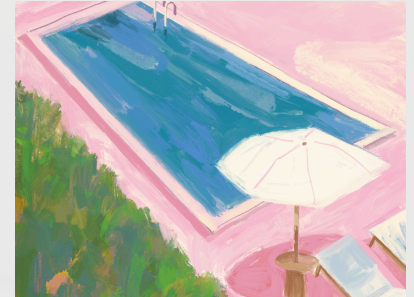

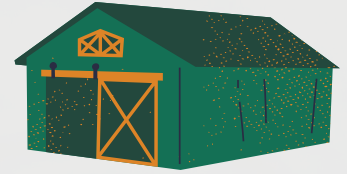

As spring and summer bring increased construction to the Borough of Bergenfield, the Building Department reminds residents that many home improvement projects require permits before work begins. If you're unsure, please contact the office.

Permits are typically required for decks, fences, sheds, patios, pools, retaining walls, air conditioning units, water heaters, EV chargers, and interior renovations such as kitchens and bathrooms. Homeowners must obtain permits—even when using a contractor—and contractors must be properly licensed and registered.

Zoning rules may apply to exterior projects, including setbacks, lot coverage, and drainage. Some projects may require zoning approval or a variance before a permit is issued.

Please follow approved construction hours, keep job sites clean, maintain clear sidewalks and streets, and schedule inspections in advance.

The Borough of Bergenfield Building Department is available to assist with permits, inspections, and requirements. Thank you for your cooperation, and best wishes for a safe construction season.

Code Enforcement

With the 2026 World Cup approaching, we expect more people may try to rent out rooms or homes for short stays. Please be aware that short-term rentals such as Airbnb, VRBO, and similar services are strictly prohibited in the Borough of Bergenfield, listing a property online, advertising it for a short-term stay, or allowing guests to rent for few days may result in summonses and fines including mandatory court appearances. The borough will be actively reviewing online listings.

MAY 17-BIKE WITH A COP

In 2025, the BFD responded to just under 800 emergency calls. These varied from smoke & CO alarms, smells of natural gas, utility emergencies, mutual aid assists, vehicle & house fires. We've begun the process of upgrading equipment to streamline our operations such as new thermal imaging cameras, SCBA packs & are currently awaiting the arrival of brand new attack hose for all of our pumpers. The BFD entered into an Automatic Aid agreement with the Dumont FD which will bring more resources to the scene quicker for specific types of alarms. Every move made by the command staff & membership of the BFD is made with your safety in mind!

BERGENFIELD VOLUNTEER AMBULANCE CORPS

As we move into the busy spring season, the Bergenfield Volunteer Ambulance Corps remains ready to serve our community 24/7. With more than 2,000 emergency calls each year, our volunteer EMTs respond to everything from medical emergencies and motor vehicle crashes to community events and public standbys.

During February's blizzard, our crews responded to a resident who suffered cardiac arrest while shoveling snow. Thanks to the rapid actions of our first responders, early CPR, and defibrillation, the patient was successfully resuscitated - a powerful reminder that emergencies can happen at any time, in any weather.

This spring, BVAC will attend school activities, the Memorial Day parade, and various borough-sponsored events. We continue to work closely with Police, Fire, and OEM to ensure coordinated public safety operations.

Our members are also engaged in ongoing training, including CPR/AED instruction, emergency vehicle operations, and disaster preparedness drills, because continuous improvement means better care for our residents.

BVAC is always looking for new volunteers. If you're interested in serving your community in a meaningful way, please visit www.bergenfieldambulance.org or email membership@bergenfieldambulance.org.

As always, thank you for your continued support. We are proud to serve Bergenfield and remain ready whenever you need medical attention.

NEWS FROM THE HEALTH DEPARTMENT

In New Jersey, it's mandatory that dog & cat owners have their pets licensed. A license tag helps police, animal control and shelters quickly identify your dog or cat and get them back to you safely. Licensing your pet is important to control the spread of Rabies, it also ensures when a dog bite occurs and person is bitten, the town can quickly identify and immediately determine whether the animal is up to date on its Rabies vaccine. Fees from pet licensing are distributed to the statewide Animal population control program.

All Dogs/Cats MUST be licensed by January 31, 2026. Please scan QR code on the left to access the online application. Please mail application with a copy of updated rabies vaccine & payment. Rabies vaccine MUST be valid through the entire licensing period.
